ARTECH LIGHTING

Artech Lighting applies sophisticated design, manufacturing excellence and rapid assembly to provide an outstanding architectural and technical product range.

Based in Durham City, Artech Lighting is a UK company with core values of architectural integration, innovative technology, energy efficiency and sustainability.

A true UK lighting manufacturer.

With a variety of beam angles and wall wash optics, the product comes in standard white and black finishes but, as with the complete Artech range, can be produced in any RAL colour for any environment.

The Quadrus optic is specifically-designed to ensure class leading performance.

Details:

Architectural linear LED system for recessed or surface applications. Total luminous flux up to 3000 lm with overall luminaire efficacy of up to 100 lm/W. Supplied with fixed output or DALI digital dimmable driver, optional – basic 3hr, self-test or EMPRO emergency kit.

Aluminium extruded body in white or black finish.

Features:

- **CRI** > 90
- 15, 30, 40 Degree Beam Angles
- IP20
- **UGR** < 19

Long life

> 55,000 hours, energy efficient LED technology.

OPTIONS

- Available in – 2700k, 3000k or 4000k.
- Available in White or Black trim, with White, Black or Chrome Baffle.
- Standard, Dali, Mains Dim, self-test and EMPRO emergency.

PRODUCTS

Artech Lighting's interior architectural lighting solutions enrich environments and enhance human comfort and performance.

Sustainable product innovation, backed by the highest quality component design ensures all of our ranges consider architectural applications and integration, whilst maximising energy efficiency and performance.

Artech Lighting has developed a comprehensive range of elegant, energy efficient, cutting-edge interior and exterior products.

All products are developed to embrace our core values and principles:

- Architectural Integration
- Innovative Technology
- Efficiency and Performance
- Sustainable Quality
- Simple Installation, including pre-wired options to significantly reduce installation time
- Modular design approach

Our standard ranges include:

- Interior
- Exterior
