

Artech Constant Current LED Strip

Artech flexible LED strip is architectural solution for cove lighting or edge lighting, with 3000K Colour temperature. Total luminous flux up to 540 lm/m with overall luminaire efficacy up to 113 lm/W. Low heat and low maintenance costs. White PVC base edge to increase luminosity.

Lamp Type	LED
Wattage	4.8 W/m
Lumen Output	540 lm/m
LEDs p/m	60 LED's p/m
Colour Temp	3000 K
CRI	90+
Beam Angle	120°
IP Rating	IP67
Input Voltage	24 V
Max Single Length	30m
Cut Points	100 mm
PCB Width	10 mm
MacAdam	3
Service Lifetime	L80/B10-50,000 Hrs
